

IRONHOLD CORRECTIONAL FACILITY

Justice. Security. Redemption.

Named in honor of the legendary hero Ironhold, the Ironhold Correctional Facility stands as one of the most secure detention centers in the world. Built to contain both ordinary criminals and individuals with extraordinary abilities, the facility represents Millennial City's commitment to justice while upholding the belief that every person deserves a chance at rehabilitation.

The prison's design reflects the ideals of the hero who inspired its name: strength used responsibly, protection without cruelty, and a promise that the innocent will always be defended.

A Fortress Built for a New Era

Maximum Security Division

Designed for the most dangerous offenders, this division utilizes advanced containment technology, reinforced structures, and specialized security procedures to safely house individuals who pose a significant threat to society.

Enhanced Containment Wing

A specialized section created for criminals with superhuman abilities. The wing uses adaptive security systems designed to respond to unique powers while maintaining humane conditions for inmates and staff.

Rehabilitation Center

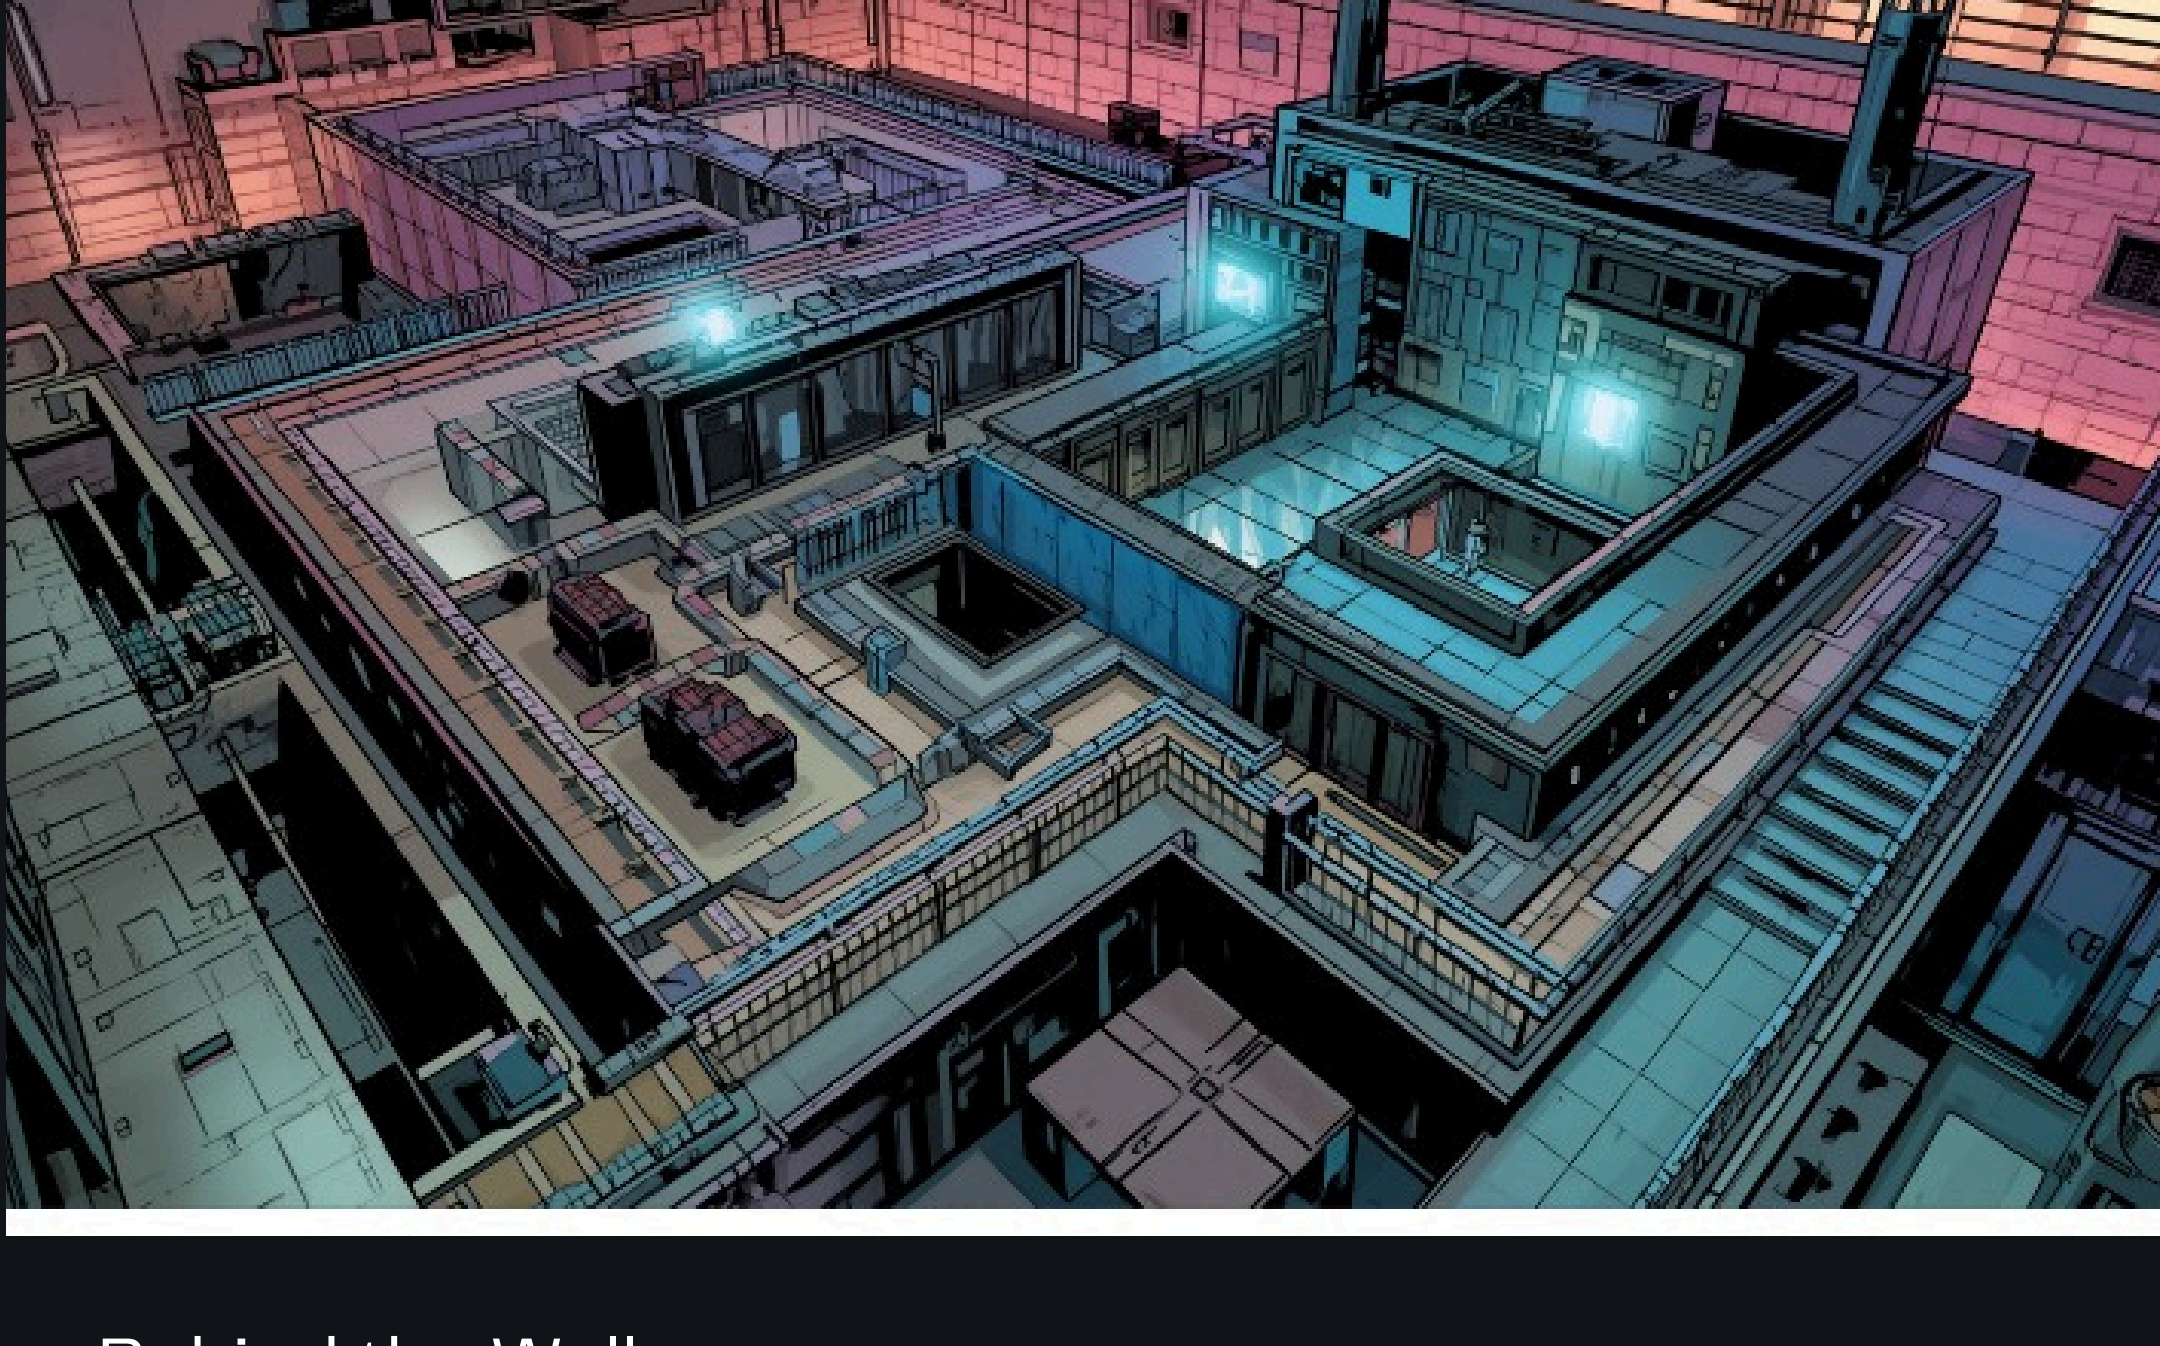

Ironhold believes justice extends beyond incarceration. Education programs, counseling services, vocational training, and reintegration programs help prepare inmates for a better future.

Advanced Security Systems

Ironhold Correctional Facility operates with some of the most advanced security measures in the world, including:

- Multi-layer containment zones
- Advanced surveillance technology
- Specialized response teams
- Emergency lockdown systems
- A.E.G.I.S. coordination protocols

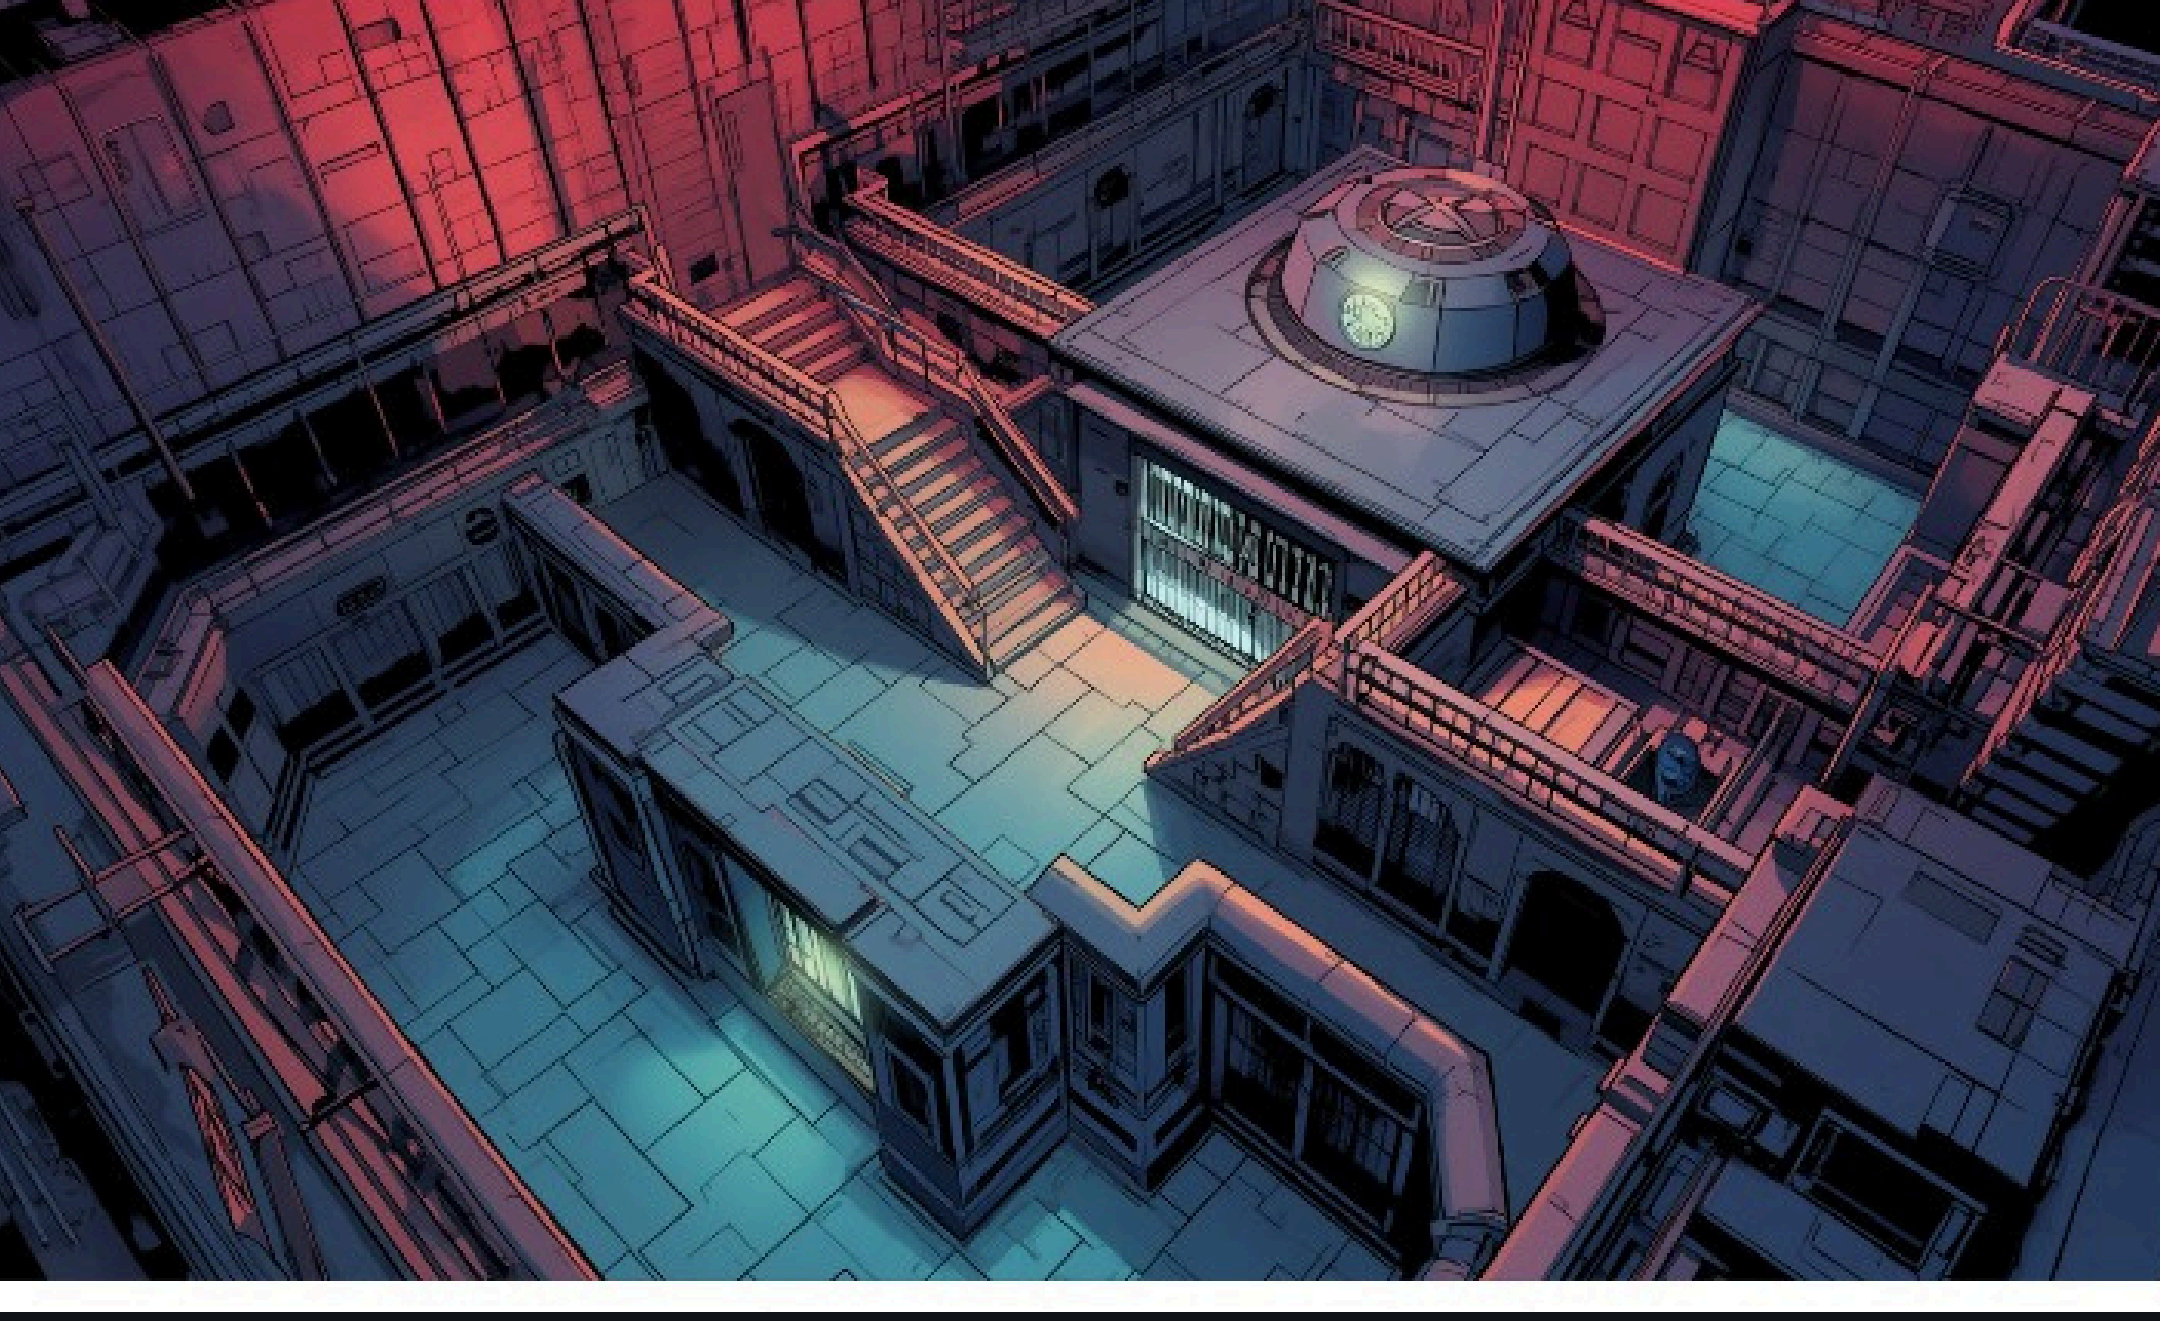

Every system is designed with one purpose: protecting the people of Millennial City.

Behind the Walls

While the public sees Ironhold as a symbol of safety, the facility is also home to some of the city's most infamous criminals. Its enhanced containment units have held super-powered threats, criminal masterminds, and individuals whose abilities require specialized care.

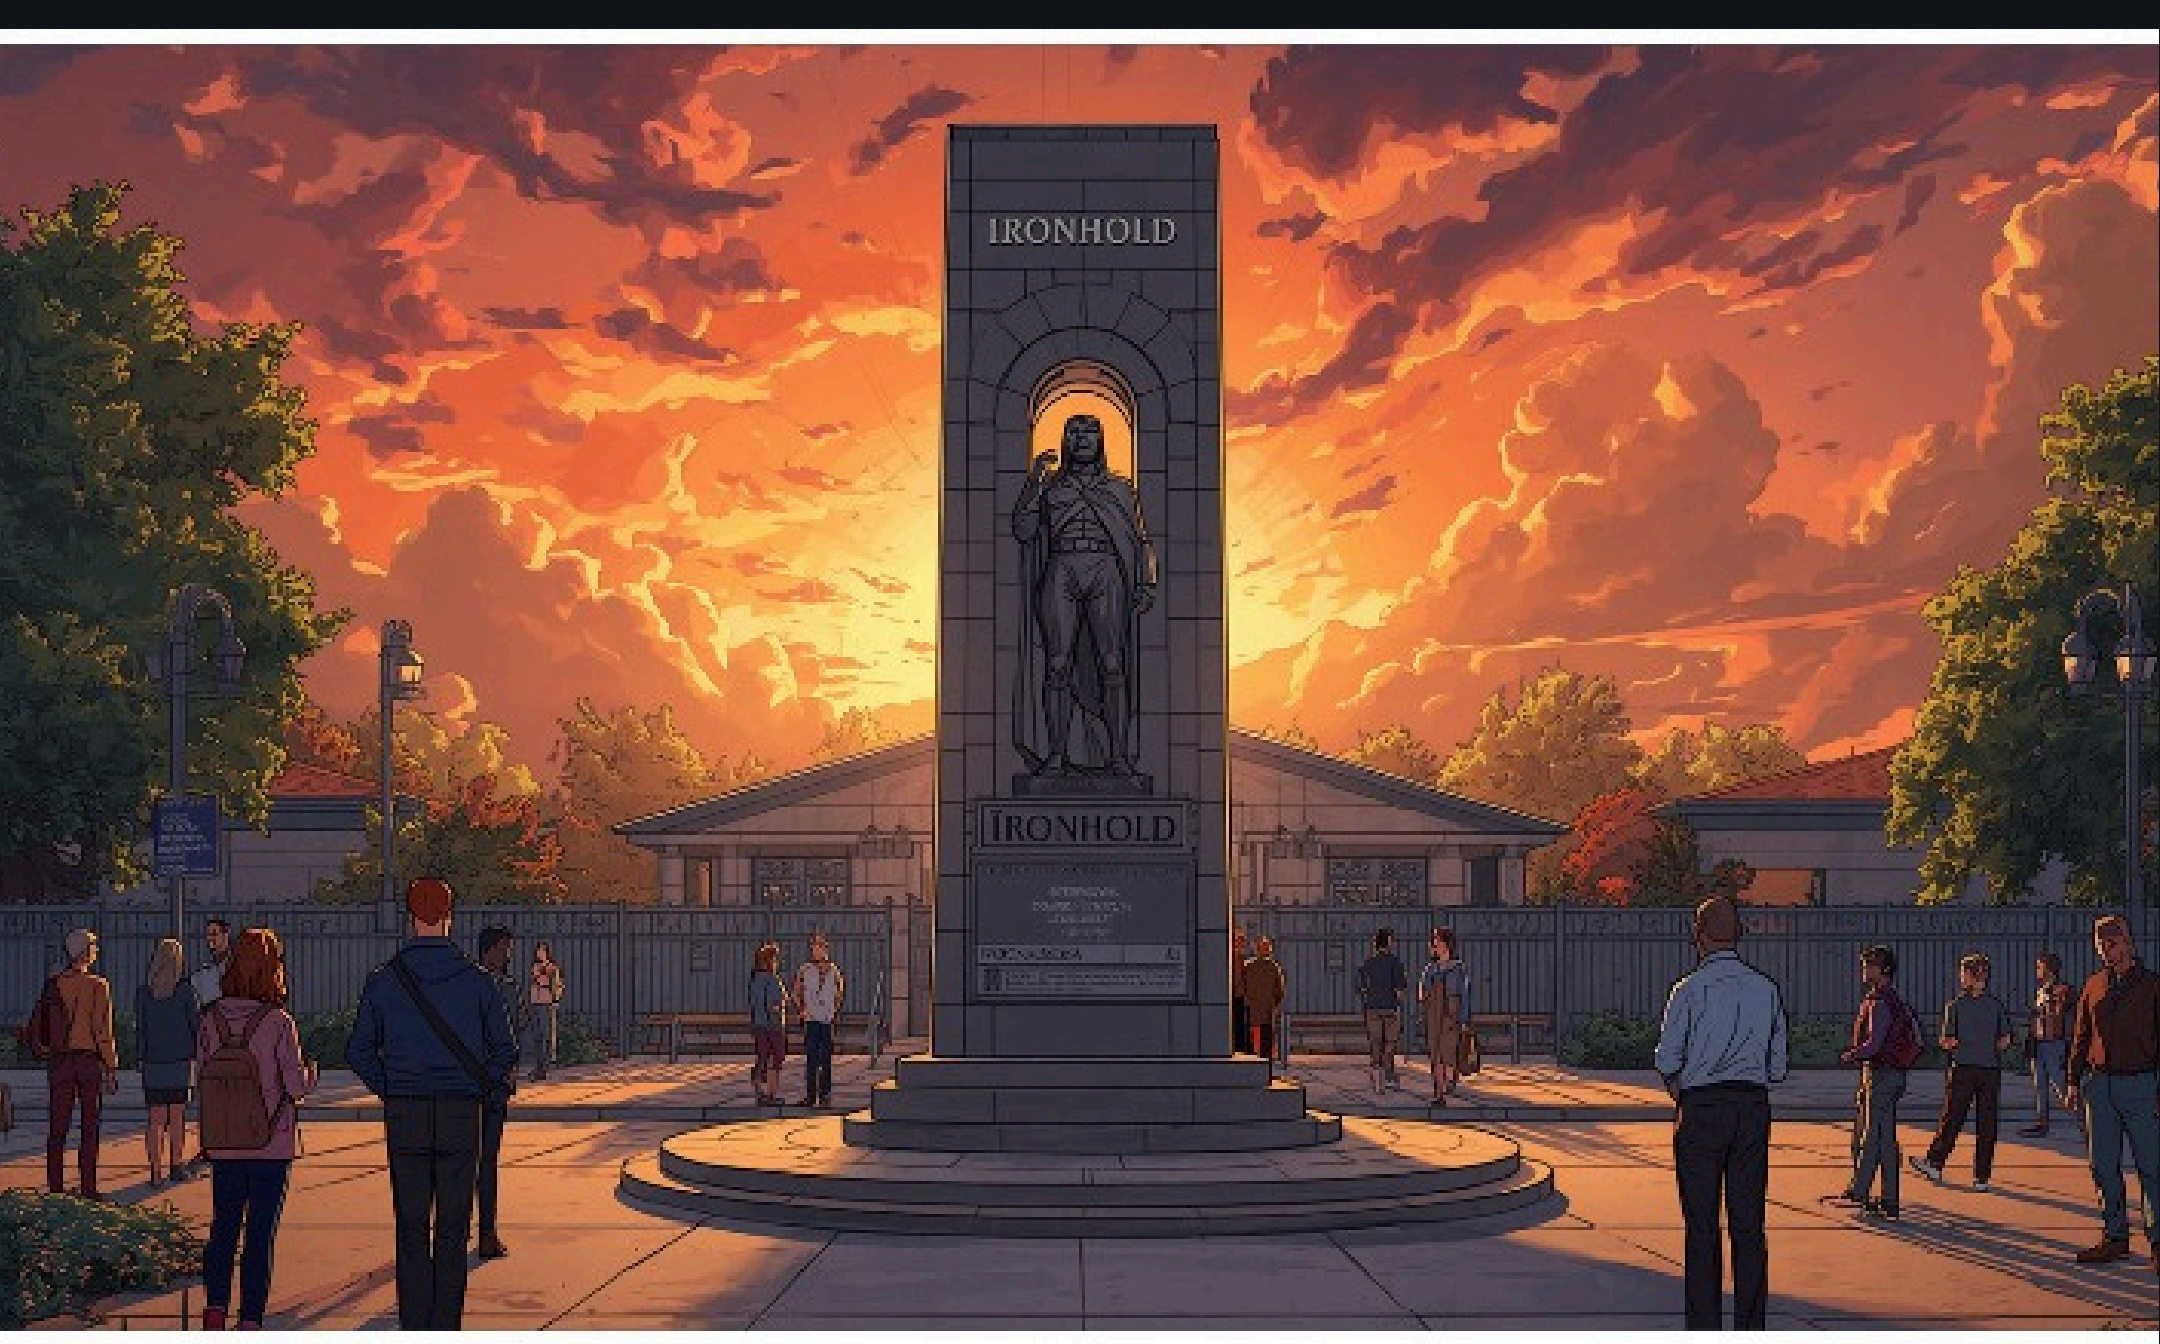

Because of this, Ironhold remains one of the most heavily protected locations in the city.

Visitor Information

- Authorized tours available by appointment
- Visitor screening required
- No unauthorized technology permitted
- Restricted areas closed to the public
- Emergency protocols may temporarily suspend visitation

The Legacy of Ironhold

The Ironhold Memorial

A public monument honoring the hero Ironhold and the ideals that shaped the facility. Visitors can learn about his legacy, his service to Millennial City, and the events that inspired the creation of the prison.

The hero Ironhold believed that true strength was not measured by power, but by responsibility. His legacy lives on through a facility built to protect citizens, preserve justice, and provide hope for those willing to change.
