

RIVERSIDE MARKET

Where the City Comes Together

Located along the scenic banks of the Aurora River, Riverside Market is one of Millennial City's most vibrant public destinations. This bustling waterfront district blends local culture, fresh food, artisan businesses, entertainment, and community events with the beauty of one of the city's most important landmarks.

As the Aurora River flows through Riverside Market on its journey from the ocean to the city's clean energy facilities, it creates a unique waterfront atmosphere where nature, innovation, and everyday life

Aurora River Promenade

The centerpiece of Riverside Market is the beautiful riverfront walkway that follows the Aurora River through the district. Visitors can enjoy scenic views, public art, outdoor seating, and peaceful walking paths while watching the city's clean energy lifeline move through the heart of Millennial City.

The Market

A riverside marketplace featuring local vendors, specialty shops, restaurants, and fresh food from around the world. From handmade crafts to gourmet cuisine, the Market showcases the creativity and diversity of Millennial City's residents.

Riverwalk Plaza

A lively outdoor gathering space where citizens enjoy festivals, concerts, cultural celebrations, and weekend events. With the Aurora River flowing beside it, Riverwalk Plaza offers one of the most beautiful views in the city.

The Artisan Dr

A collection of small businesses, studios, and workshops where local creators showcase artwork, technology, fashion, and unique creations. Visitors can watch artists at work or take home something truly one-of-a-kind.

Food, Culture & Community

Riverside Market is known for bringing people together. Families, professionals, tourists, and residents from every corner of Millennial City come here to enjoy

- International cuisine
- Farmers markets
- Live music
- Street performances
- Local festivals
- Waterfront dining

The river represents the connection between the city's people, its technology, and its commitment to a sustainable future.
